1 Location

Khabarovsk is capital of Far East Federal part of Russia (Blagoveshchensk, Vladivostok, Komsomolsk-na-Amure etc.). The city is situated at a picturesque place on a coast of the river Amur. Its population is about 750 thousand persons. Khabarovsk is the cultural, administrative and military centre of the Far East of Russia. The city is 145 years old. Khabarovsk, as well as Vladivostok is located in a territory of ancient Buddhist states Bohay and Djurdjeny. At the end of 19 and the beginning of 20 centuries some Buddhist temples were constructed by Russian and Chinese merchants in Khabarovsk.

The Khabarovsk Buddhist Center is located:
Russia, Khabarovsk city, str. Sadovaya 7

Mr. Tolek Sokolov, Tolek@buddhism.ru

3 Center and Activities

In 2002 a Phowa course took place here. It gathered more than 300 participants. The center offers regularly meditation evenings four times a week, 20 - 25 persons usually participate. The members of the Khabarovsk Center is 50 people, and due to the great interest on Buddhist teachings there are always a number of newly interested people attending the meditations and getting good teachings during arrival travelling teachers. Together with this members of the Khabarovsk center to lead work on organizations museum far-eastern Buddhism. Already collection fragment of pottery is collected on base of the excavations Buddhism temples, which were found on territory of the Khabarovsk edge.

4 Funding of Foundation

On 2006 we received 6000,- € funding from the Diamondway-Foundation Germany.
